CO-OP

Sales: Card

This year we need to minimise admin tasks so payments must be made at the co-op when you purchase your goods.

You may pay by card (with surcharge) or direct bank deposit (using your smartphone or other device).

Sales: Gift Card

You can continue using a gift card, but we ask you to deposit at least AUD 100 at a time, and to ensure that you have enough money in your gift card before shopping. Please allow a few days for the deposit to be processed.

Volunteers: Pudding and Christmas Cakes

We are looking for volunteers to bake leftover packs to be used at future events. The hours you volunteer for this will count as active membership (15% discount at our shop). Please contact us if you're interested!

Volunteers: Other Roles Urgently Needed for 2021

We are in need of vollies in the following roles:

Unpacking stock orders
(2 hrs fortnightly)

Cashiering or cashier assistance
(1x per month,
Tuesday afternoons or
Sunday mornings)

Jar sterilizers and recipe book organiser
