COMMUNITY MEMBERSHIP

Becoming a member of Okines Community House is important for you & our community. Through your membership we can demonstrate to the Department of Premier & Cabinet (our funders) that the House is valuable to our community, supported by our community and can act as a legitimate voice for our community where appropriate. Your membership gives you the right to have a voice on how the House is run. You can vote in elections, attend general meetings and nominate for board positions.

Joining the House is free. However, if you wish to participate in the Food Co-op or the Film Society you will need to join the house first and then pay the annual fees relating to each of these associated entities. Help us make a positive difference to our community and **join now.**
